

GIVING OPPORTUNITIES 2024-2025

At AHS, we give the very best educational thought and practice to both General and Judaic Studies. Honouring our rich academic tradition of excellence and high expectations, our learner-centred, inquiry-driven model develops confidence, along with academic and psychological competence. Your gift to Associated Hebrew Schools is an investment in our Jewish future. AHS graduates are role models and our future leaders. Thank you for your support!

GROWING SPACES

Upgrading our facilities to serve our expanding community is an ongoing priority for AHS. Sponsoring a space is a wonderful way to support Associated as we continue to grow and serve our community.

ENHANCEMENT FUNDS

Enhancement Funds support initiatives that improve the quality of student life at AHS. These are opportunities to fund innovation and excellence in areas that benefit one branch or the entire student body.

CDL ENHANCEMENT FUND

SOLD

This fund supports enhancements to the Centre for Diverse Learning (CDL) at AHS, through the Middle School mentorship program AHSCoNECT and other student-led initiatives to mentor younger students regarding social media, as well as enabling us to retain Child and Youth Workers who support student well-being in our Elementary branches.

TECHNOLOGY FUND

\$250,000 per campus or \$750,000 for all 3 campuses

Technology is a critical aspect of learning in every subject. The role of distance learning has amplified the need to ensure every student is supported and equipped with current, suitable hardware and software.

PROFESSIONAL DEVELOPMENT FUND

\$100,000 per campus or \$300,000 for all 3 campuses

Staying ahead of new innovations and best practices in education requires on-going training and professional development for teaching staff.

STUDENT EXPERIENCE FUND

\$100,000 per campus or \$300,000 for all 3 campuses

This fund supports students from families requiring financial assistance to participate in school trips and programs.

VIRTUAL EXPERIENCE FUND

\$100,000 per campus or \$300,000 for all 3 campuses

This fund makes possible authentic and engaging real-world experiences that draw on local & global resources via the Internet; e.g., museum tours or meeting with artists, poets, etc.

WELLNESS FUND

\$100,000 per campus or \$300,000 for all 3 campuses

This fund is designated for hiring full-time social workers, and offering mindfulness programs, yoga, meditation instructors and other wellness resources.

ATHLETIC FUND

\$100,000 per campus or \$300,000 for all 3 campuses

Our teachers work to ensure that students experience a healthy balance of athletics, are engaged in physical education and activity, and have the opportunity to participate in team competitions. Physical education is an integral piece of our educational programs and we are proud of our players and teams.

TEACHER INNOVATION FUND

\$100,000 per campus or \$300,000 for all 3 campuses

At AHS, we cultivate creativity, in both our students and faculty, and create opportunities to think critically and develop broad ideas, resulting in innovative solutions.

STUDENT LEADERSHIP FUND

\$54,000 per campus or \$162,000 for all 3 campuses

This fund supports student leadership initiatives and related resource development.

TORAH ENANCEMENT FUND

\$54,000 per campus or \$162,000 for all 3 campuses

Torah is the heart of what we do at AHS as a community Jewish school. This fund will enable us to provide enhanced Torah programming for our students, such as the Devash Parsha magazine and Alpha-Beta learning resources, as well as high level professional development for our Torah teachers.

EDUCATIONAL PROGRAMS

CENTRE FOR DIVERSE LEARNING

\$1,000,000

- Centre for Diverse Learning at Posluns Education Centre
- Centre for Diverse Learning at Kamin Elementary School
- Centre for Diverse Learning at Danilack Middle School

\$360,000

\$360,000

\$360,000

350 students at Posluns, Kamin, and Danilack have received academic learning supports throughout the 2020-21 calendar year. The CDL program supports students and families' varied psychosocial needs. The CDL oversees the Student Learning Centre (SLC) at Danilack, which operates small classes in Literacy, Math, and Learning Strategies for those Middle School students who benefit from small-group instruction.

NEW MUSIC PROGRAM

\$54,000 per campus / \$150,000 for all 3 campuses

The benefits of music education have a long-lasting impact on children's ability to be well-rounded learners and problem solvers. Some of the benefits include: improved memory, strengthened hand-eye coordination, teamwork, enhanced language capabilities and heightened mental processing, all of which create the ability to process situations and find solutions. A well-rounded education includes music education.

STEAM PROGRAM

\$180,000 per campus / \$540,000 for all 3 campuses

STEAM is an educational program that incorporates Science, Technology, Engineering, Art and Math under one umbrella in an interdisciplinary and practical approach. This exciting mix of creativity (art and design) and science (technology, engineering and math) helps students develop innovative solutions to real-life problems
