INSPIRING STUDENTS WITH THE STRENGTH OF TRADITION
AND THE POWER OF INNOVATION.

From the bottom of our hearts - תודה מעומק לב

Your generosity sustains our programs and spaces, but far more than that, it nurtures and reflects who we are as a collective. At our core, we are a community dedicated to inspiring Jewish learning, strengthening identity, and bridging between tradition and innovation. Through your partnership, our students are empowered to learn, grow, create, and carry forward the values, resilience, and joy that have always defined the Jewish People.

We are deeply grateful for your belief in our mission and for helping to ensure that the light of our community continues to shine for many generations to come.

Message from the Head of School

For nearly a century and a quarter, AHS has been known for its role in raising the next generation of our Jewish community as people who engage thoughtfully and respectfully with our diverse society and see the challenges of the world and of the Jewish People as their own. Especially in the face of the struggles that our people have encountered in today's times, Jewish education remains our most profound answer for how we move forward with strength and unity.

In an era of AI and technological shortcuts, we know that fostering social intelligence and instilling timeless Jewish and human values in our students are more critical than ever. At AHS, we are dedicated to shaping and providing a learning environment that encourages our students to question, explore, innovate, and work together.

Our deepest gratitude goes to all of you who entrust us with your children and who support our school in so many ways. Your belief in AHS strengthens our mission and fuels our vision. Investing in AHS is an investment in the Jewish future - and we are already seeing the incredible impact it has.

Dr. Lee-Ron Kaye
Head of School

Associated is the only Ministry-approved elementary Jewish Day School in Toronto, offering high school credit courses.

Testimonials from Graduating Families

Our family has been incredibly fortunate to have all four of our children attend Associated Hebrew Schools, and this year our youngest, Leah, will be graduating. The school's commitment to instilling a deep love for Judaism, a dedication to academic excellence, and the genuine care shown by its teachers and faculty has provided our children with an outstanding foundation. Under the exceptional leadership of Ora Shulman and Lee-Ron Kaye, Associated has truly become the remarkable institution it is today. We believe Associated has helped our children grow into confident, capable individuals, prepared to contribute meaningfully both to the world at large and to the Jewish community. We feel deeply blessed that Associated has played such an important role in our children's lives.

- Naomi Mansell

Over the last 16 years, AHS has given our family everything we hoped for in a solid Jewish education. Our three graduates love Jewish learning, speak a beautiful Hebrew, and are committed Jewish leaders. We are forever grateful to the teachers and administrators who have helped shaped our children's Jewish identity.

- Sidura Ludwig & Jason Shron

As our youngest daughter graduates from middle school this spring, it is the end of an era for our family - an era which began when our oldest daughter entered junior kindergarten fifteen years ago. Associated has become a constant in our lives. The school has transformed our family in the best and strongest ways possible, bringing deep friendships for both our kids and ourselves; imbuing our children with an educational ethos that has equipped them intellectually; and nurturing our family's ever deepening pride as Jews. We will miss the AHS community deeply, but leave it with nothing but gratitude and affection.

Your Philanthropic Support At Work

Fresh asphalt and brand-new schoolyard games painted in AHS colours at Hurwich.

Lu Move interactive equipment installed in Posluns Gym to enhance assemblies and programming.

Enhanced AV equipment to support better quality experiences for our audience at milestone events.

Expanded and upgraded Apple Pencils and iPad inventory to support a 21st-century digital arts program, allowing students to engage in professional-level creative design alongside traditional artistic mediums.

Musical Instrument Expansion including flutes, saxophones, trumpets, and trombones, enabling us to build and expand a thriving Middle School Band program and increase student access to instrumental music.

New play structure installed in the Kamin Bet Hayered schoolyard.

New Major Giving Opportunities

We have been forging our future this year with the creation of many new opportunities for staff, students, and families. This, in turn, offers a selection of new naming opportunities, including the **Teacher Learning Hub**, a new 2-year Professional Development program offered to our Judaic Studies teachers at no cost to them.

The **Israel: Myths and Facts** interactive curriculum designed to equip our Middle School students with the knowledge and confidence to combat propaganda and false rhetoric about Israel.

And the **Middle School Summer Hub**, a one-week program to ease our students into Middle School routines with camp-like activities and social integration.

These are in addition to existing opportunities such as our **Classroom Campaign**, offering the chance to support the renovation of a classroom with a naming opportunity.

You can also make your mark on AHS with the **Blocks Campaign** - this is the perfect opportunity for alumni to immortalize their graduating class, for parents to honour a teacher, or for families to mark a milestone with a "coding block" bearing the name of your choice that will remain on the exterior installation for 10 years.

With our **Partnership Opportunities**, families can partner with AHS on supporting special milestone events throughout the school year, including each Bet Haya'eled and Elementary grade's unique demonstration of learning as well as the Bar/Bat Mitzvah YAHALOM sessions, major trips such as the Shabbaton and Grad Trip, Graduation, and more. Families can work with us on opportunities that are meaningful to them - this year, we say a big thank you to the anonymous donor who purchased klaffim for the Batei Mezuzot that our Grade 4 students designed in conjunction with their Pesach performance.

Finally, you can include AHS in your future planning through **AtidCHAI**, AHS's very own legacy giving society.

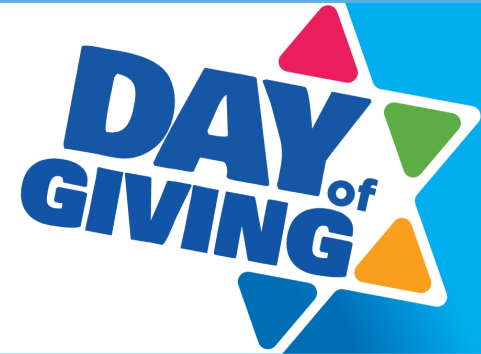

There are many other opportunities for major giving and naming spaces, funds, or programs at AHS. For more information, contact Ora Shulman at 416-494-7666, ext. 613, or reach out to our Development Office at development@ahschools.com.

Day of Giving

Thank you to all the volunteers, staff, students, alumni, lay leaders, matchers, and supporters who helped make the **Day of Giving** a success on **March 11, 2026!** We raised a remarkable total of **\$1,123,932** from **896** donors, reaching **112%** of our goal!

We are so grateful to our incredible Matching Donors who made this success possible with a **3:1 match**, encouraging community members to give in the knowledge that each dollar they gave would have a **quadrupled impact**.

Generous members of our community have contributed funds to match your gift. Donations to our Day of Giving yield a valuable match, adding significant value and impact to your efforts.

We are very grateful to AHS's Matching Donors:

Grandparent Events

AHS is proud to cultivate many opportunities for intergenerational connection, welcoming grandparents and other family members into the school for meaningful shared learning experiences and activities with their grandchildren. This year, some of these intergenerational touchpoints included:

- ◆ Bet Hayaed Grandpal Kabbalat Shabbat programs where students and grandparents braided challah together to take home for Shabbat
- ◆ JK Tu B'Shvat Grandpal activity planting parsley seeds in pots they decorated together
- ◆ SK Grandpal Shabbat Learning Celebration, creating Shabbat-o-grams
- ◆ Grade 1 Grandpal Shavuot Art Project
- ◆ Grade 2 Grandpal Day in which grandpals shared personal Shabbat stories and meaningful artifacts and students and grandpals created their own "Blessing Our Children" frames to take home.
- ◆ Grade 2 Grandpal Day creating clay Shabbat candlesticks
- ◆ Grade 3 Grandpal Day using guided questions to learn about family heritage, in which students and grandpals created a picture collage that represents shared memories or traditions
- ◆ Grade 3 Purim Caine's Arcade for grandpals
- ◆ Grade 4 Grandpal Day crafting clay Mezuzot
- ◆ Grade 5 Grandpal Hachnasat Orchim program, preparing soup for the "Soup in the Sukkah" event to host the neighbours from the 2 Neptune seniors residence at the AHS Sukkah
- ◆ Grade 6 My Family Story Presentations
- ◆ Danilack Middle School Generations Day: "Travel to Israel" experience, with student-led davening and presentations celebrating Jewish learning and identity and grandparent-student creative workshop designing Tefillat HaDerech keychains

...and many more special moments!
